**BUSINESS FROM THE FLOOR:** Nothing

**OLD BUSINESS:** Nothing

**NEW BUSINESS:**

**Discuss animal control issues in municipalities** – Chief Keiser said that the department continues to receive calls about abandoned animals, but since the municipalities do not have any current contracts with animal sanctuaries or rescues, the officers are unable to help with these calls.

**Commissioner Meck** said that Maidencreek Township works with a trap, neuter, release program through No Nonsense Neutering to address the feral cat situation. **Commissioner Grebloski** said that Ontelaunee Township advises the officers not to respond to these calls as the township has no current contracts with any animal services. **Commissioner Strause** said that Leesport utilizes a trap, neuter, release program through the ARL, which is also just for cats. The commission clarified that if the department receives any calls regarding an animal attack, animal cruelty or a vicious animal, the officers are to respond as normal. If it involves a stray or abandoned animal, the department is not to respond and should refer these concerns/complaints to the municipalities.

**Authorize/Ratify the Solicitor's Assistance with Response to EEOC Charge** – Solicitor MacFarlane stated that Mr. Vaillant, an ex-police officer here, filed a charge of racial discrimination with the Equal Employment Opportunity Commission last month. **Commissioner Grebloski** made a motion, seconded by **Commissioner Strause** to authorize the solicitors' assistance in preparing a response to this charge, as required by law. All commissioners voted, "Aye". Motion carried.

**FOR THE GOOD OF THE ORDER:** Solicitor MacFarlane stated that we deny any claim of discrimination.
